

GO TELL IT ON THE MOUNTAIN

KHUSHI MANAYE (REJOICE + CELEBRATE)

खुशियाँ मनाएँ और जश्न मनाएँ

Rejoice, make a joyful celebration,
Remembering the birth of Jesus.
Make loud noises, sing, dance,
For born to us is the Saviour of the world!
(Repeat)

It's a wonderful and sacred day,
For Creator himself took human form.
It's a marvelous and excellent day, too;
Man can now make peace with God.
Christmas is providential and favourable;
Christmas is blessed, hallelujah!

Rejoice and raise your voices;
Dance, sing and make loud noises;
Let us tell the people around us
The King who saves has arrived.
He has impressed and He is admired;
He now dwells within my heart.
We all now have an opportunity
To make peace with God.
Come join this celebration;
Dance, sing, with exhilarating joy;

Rejoice and celebrate!
Rejoice and celebrate!
Rejoice and celebrate!

Deck up the place, celebrate in a grand way,
Remembering the birth of Jesus.
Sing songs, play instruments,
For born to us is the King of all kings.
(Repeat)

It's a wonderful and sacred day,
For Creator himself took human form.
It's a marvelous and excellent day, too;
Man can now make peace with God.
Christmas is providential and favourable;
Christmas is blessed, hallelujah!
