

GO TELL IT ON THE MOUNTAIN

OH, THE KING HAS COME

오 왕이 오셨다

Oh, the King has come.
Oh, the King is born,

As a baby boy so small,
To a family, cold and poor,
So that he might know our plight
And we might share his life.

Even in the darkest night
Shines the one who is my life.
And because He walks with me,
I will never fear again.
